Alois 2017 Campole

Campania, Campania

Red wine from Italy

Drinking window: 2020 - 2028

The 2017 Campole provides an alluring mix of ripe crushed blackberries, sweet spices, and dusty minerals. On the palate, seamless, silky textures flood the senses, showcasing blue and black fruits with sweet inner florals, in a pleasantly round and balanced expression. The finish is medium in length, resonating on ripe dark berries and florals, with just a hint of minerals and spice. This easygoing Aglianico finds a beautiful balance between ripe fruit and textural depth.

Eric Guido. Tasting date: March 2020
