The 2007 Trebulanum is surprisingly compact in this vintage. The spiciness and sweetness of the French oak dominate over an expression of variety, which is a shame as Casavecchia is one of Campania's most fascinating grapes. Sadly, this is a disappointing vintage of Trebulanum. Anticipated maturity: 2010-2014. Importer: Soilair Selection, New York, NY; tel. (646) 244-4922
